Greetings from Joachim Flassenberg

Time for me to say goodbye to all of you, my good fellows, as I will be retiring at the end of 2020. I am looking back on many wonderful years of work time in a very pleasant company. It was a great pleasure for me to meet you and work with all of you, and I will retain lots of good memories.

The farewell is somewhat difficult for me, as I am facing an unknown big challenge, my new life as pensioner. Honestly, I am looking forward to this new stage of my life with a laughing and a crying eye. For sure, I will miss the numerous exciting projects, customer visits and trade fairs with you.

However, I am very happy about my successor Lorenz Sobizack, whom you probably know. Lorenz already worked with me during the past year and will support you competently in the future.

I am grateful and will keep you all in good memory

Joachim Flassenberg
